Today, we will start our wonderful trip by boarding a flight to Miami. We will spend the night on board.

**Day 2\*\* Apr 13**

**Miami – Ft. Lauderdale**

Upon arrival, we will transfer to Ft. Lauderdale. We will embark one of the newest princess cruises, the Star Princess. She is the sister ship to Sun Princess. Star Princess is the name of a new Sphere-class cruise ship from Princess Cruises, set to debut in the fall of 2025. It is the second ship in this class, following Sun Princess, and will feature similar design elements, including the Dome entertainment venue and a new-generation Piazza. The ship will be powered by liquified natural gas (LNG). Let's start our journey with this lovely ship.

**Day 5\*\* Apr 16**

**Aruba**

This morning, we will arrive in Aruba. Ship disembarks 8:00 AM and embarks at 6:00 PM.

Dutch influence still lingers on this balmy Caribbean Island, part of the former Netherlands Antilles until its independence in 1986. Aruba is a contrast: the island's arid interior is dotted with cactus and windswept divi-divi trees while secluded coves and sandy beaches make up its coast. Aruba's long and colorful heritage is reflected in its dialect. Called Papiamentu, it is a tongue that combines elements of Spanish, French, Portuguese, Dutch, African and English.

We can explore the city on our own.

**Day 6\*\* Apr 17**

**At Sea**

Today is a Sea Day, we are on our way to Panama Canal.

**Day 7\*\* Apr 18**

**Panama Canal Full Transit New Locks**

This morning, we will arrive in Panama Canal. Ship disembarks 6:00 AM and embarks at 6:00 PM.

Cruising through the Panama Canal will be one of the unforgettable experiences of your voyage. A full transit of the Panama Canal provides guests the opportunity to enjoy this engineering marvel and the beautiful nature surrounding it. Guests will spend this day onboard the ship. Shore excursions will not be offered as the ship spends the majority of the day transiting the canal and its three sets of locks.

**Day 8\*\* Apr 19**

**Fuerte Amador, Panama (for Panama City)**

This morning, we will arrive in Fuerte Amador, Panama. Ship disembarks 7:00 AM and embarks at 6:00 PM.

Fuerte Amador, situated at the Pacific entrance to the Panama Canal, is a man-made peninsula extending out into the Pacific Ocean.

We can explore the city on our own.

**Day 14\*\* Apr 25**

**Mazatlan, Mexico**

This morning, we will arrive in Mazatlan, Mexico. Ship disembarks 7:00 AM and embarks at 5:00 PM.

Lying just below the Tropic of Cancer, Mazatlan boasts a superb year-round climate. Mazatlan, a name that means "Place of the Deer," sits on a peninsula at the feet of the rugged Sierra Madre, and the Cerro de Neveria - "Ice Box Hill" - divides the area's rocky Pacific beaches from the broad, white-sand beaches beloved by visitors. The climate, the beaches, and the world-class sportfishing have turned this commercial fishing port into one of the world's top resort destinations.

We can explore the city on our own.

**Day 15\*\* Apr 26**

**Cabo San Lucas, Mexico**

This morning, we will arrive in Cabo San Lucas, Mexico. Ship disembarks at 7:00 AM and embarks at 6:00 PM.

Millennia ago, Cabo San Lucas was part of the Mexican mainland. Then a massive rupture of the San Andreas Fault sent the waters of the Pacific crashing into the newly formed depression, creating the Sea of Cortez and the Baja Peninsula. Lying at the very tip of Baja, where the Pacific meets the Sea of Cortez, Cabo San Lucas - or "Cabo" - is one of the premier resort destinations in the Western Hemisphere.

We can explore the city on our own.

**Day 16\*\* Apr 27**

**Day 17\*\* Apr 28**

**At Sea**

Today is a Sea Day, we are on our way to Los Angeles, California.

**Day 18\*\* Apr 29**

**Los Angeles, California**

This morning, we will arrive in Los Angeles, California. Ship disembarks at 7:00 AM and embarks at 10:00 PM.

The City of Angels always hovers between dream and reality. Once a near-forgotten colonial outpost, the pueblo metamorphosed into an agrarian paradise before reinventing itself as a movie colony. Perhaps no other city owes so much to the technological innovations of the 20th century, from the automobile to the airplane. Little wonder that LA is oft described as the "dream machine." In LA, reinvention is a way of life.

We can explore the city on our own.
