This Anglican cathedral is regarded as one of the finest examples of Early English Gothic design. We will also explore the historic Chapter House within the cathedral. Next, we will drive 2 miles west of Amesbury to visit Stonehenge, a prehistoric monument and one of Britain's most iconic sites. Stonehenge consists of a ring of standing stones set within earthworks and is renowned worldwide. It lies within the densest complex of Neolithic and Bronze Age monuments in England, featuring several hundred burial mounds. In 1986, the site and its surroundings were designated as a UNESCO World Heritage Site, alongside Avebury Henge. After our visit, we will return to the hotel for dinner.
