Day 1 Honolulu → Osaka

We begin our journey by boarding an international flight to Kansai Airport, the gateway city to Osaka. Meals and snacks will be served on the plane.

Day 2 Osaka

Arrive at Kansai International Airport. We will meet with an Air and Sea Travel Representative who will escort us to our hotel in the Osaka area.

Day 3 Day trip to Kyoto (B, D)

After breakfast, we will start our tour of the historic **Kiyomizu-dera**, an independent Buddhist Temple in Eastern Kyoto and a UNESCO World Heritage Site. The beauty of the temple will be enhanced when you stand by the main hall looking down at the hillside. The neighborhoods next to this temple are **Ninen-zaka** and **Sannen-zaka** which literally means Two-Year Hill and Three-Year Hill. These are charming pedestrian only shopping lanes lined with traditional Japanese buildings that offer a taste of pre-modern Kyoto. **Kyo-Yuzen**, a technique of painting dye directly onto cloth, was invented in the middle of the Edo era, towards the end of the 17th century. It has since become the ultimate art of kimono dyeing, famous for its use of distinctive and vivid colors seen nowhere else in the world. Today, we will have a **hands-on experience** dying a tote bag using this unique technique. After that, we will proceed to **Kinkaku-ji** ("Temple of the Golden Pavilion"), officially named Rokuon-ji ("Deer Garden Temple"), a Zen Buddhist temple in Kyoto. The garden complex is an excellent example of Muromachi period garden design considered to be a classical age of Japanese garden design. Nothing is as symbolic of Kyoto as Kinkaku-ji's golden reflection shimmering across the rippled surface of the pond before it. After dinner, we will return to our hotel overnight.

Day 4 Day trip to Nara (B, L)

After breakfast, we will transfer to Nara. **Nara Park** is a public park and one of the "Places of Scenic Beauty" designated by the Ministry of Education, Culture, Sports, Science and Technology (MEXT). Over 1,200 wild **Sika Deer** freely roam the park and have become a symbol of the city and designated a natural treasure. Today, visitors can purchase "deer-crackers" to feed them. **Todaiji**, also known as Great Eastern Temple, is one of Japan's most famous and historically significant temples and a landmark of Nara. Todaiji's main hall, the Daibutsuden (Big Buddha Hall) is the world's largest wooden building, despite the fact that the present reconstruction of 1692 is only two thirds of the original temple hall. The massive building houses one of Japan's largest bronze statues of Buddha (Daibutsu). The 15 meter tall, seated Buddha represents Vairocana and is flanked by two Bodhisattvas. After lunch, we will return to Osaka and enjoy our shopping in **Shinsaibashi**, the largest and best known shopping area in Osaka where many boutiques and specialty shops attract local people and visitors. The Shinsaibashi evolved from the arcaded streets "**Shinsaibashi Shopping Street**". With a history of 380 years, it was already an established shopping area in the Edo Period. Shops of all kinds and for all ages line the street, a roofed arcade 600 meters long. **Dōtonbori** is another principal tourist destination in Osaka. One of the area's most prominent landmarks is "The Glico Man", a billboard for confectionery company Glico displaying the image of a runner crossing the finish line and is an icon of Osaka within Japan. We can enjoy our own dinner here then return to our hotel in Osaka.

Day 5 Osaka 三 Lake Kawaguchi ㊦ (B, D)

After breakfast, we will transfer to Osaka Train Station to board the **Bullet Train** to Mishima Station, and then transfer to Lake Kawaguchi. During the ride, we can experience local culture by enjoying a train bento box for lunch on our own. **Lake Kawaguchi**, located in the town of Fujikawaguchiko in southern Yamanashi Prefecture near Mount Fuji, is the second largest of the Fuji Five Lakes in terms of surface area and is situated at the lowest elevation. It also boasts the longest shoreline of all the Fuji Five Lakes. Tonight, we will relax and enjoy the hot springs at the **Onsen Hotel**.

Day 6 **Lake Kawaguchi — Mt. Fuji — Tokyo** (B, L, D)

After breakfast, we will take the **Mt. Fuji Panoramic Ropeway**, an aerial lift line in Fujikawaguchiko, Yamanashi. Opened in 1959, the line ascends Mount Tenjō from the shores of Lake Kawaguchi, one of the Fuji Five Lakes. The name of the line derives from Kachi-kachi Yama (lit. "Mt. Kachikachi"), a folktale that takes place on the mountain. From the observatory, you can enjoy stunning views of the lake and Aokigahara Forest. Following this, we will ride on a **Lake Kawaguchi sightseeing boat** to appreciate the picturesque views of Mt. Fuji. After lunch, we will go to **Arakura Fuji Sengen Shrine**, a prominent Shinto shrine located in Fujiyoshida. Nestled at the base of Mt. Fuji, the shrine is dedicated to the deity of Mt. Fuji and is known for its beautiful views of the mountain. Then, we will transfer to **Tokyo**, the capital city of Japan, and one of the most populous metropolitan areas in the world. Upon arrival, we will enjoy our dinner before check-in to the hotel.

Day 7 **Tokyo** (B)

After breakfast, we will view **Imperial Palace Plaza**, located on the former site of Edo Castle, a large park area surrounded by moats and massive stone walls in the center of Tokyo. Then, we will go to **Senso-ji**, an ancient Buddhist temple. It is Tokyo's oldest and one of its most significant temples. The temple is dedicated to the bodhisattva Kannon (Avalokitesvara). Dominating the entrance to the temple is the Kaminarimon or "Thunder Gate". This imposing Buddhist structure features a massive paper lantern dramatically painted in vivid red-and-black tones to suggest thunderclouds and lightning. Beyond the Kaminarimon is Nakamise-dori with its shops, followed by the Hōzōmon or "Treasure House Gate" which provides the entrance to the inner complex. Within the precincts stand A Stately Five-story Pagoda and the Main Hall, devoted to Kannon Bosatsu. Catering to the visiting crowds, the surrounding area has many traditional shops and eating places that feature traditional dishes (hand-made noodles, sushi, tempura, etc.). These shops themselves are part of a living tradition of selling things to pilgrims who walked to Senso-ji. We can enjoy our own lunch here. After that, we will go to **Tokyo Skytree** is a broadcasting, restaurant, and **observation tower** in Tokyo and the tallest structure in Japan. At the end of the day, we will visit **Ameyoko Shopping Street**. It is a busy market street along the Yamanote Line tracks between Okachimachi and Ueno stations. Today, products such as clothes, bags, cosmetics, fresh fish, dried food, and spices are sold along Ameyoko.

Day 8 **Tokyo** (B)

Full day at leisure. "Shop till you drop; eat till you overflow!" Enjoy this free day to shop around the city and eat whatever looks interesting.

Day 9 **Tokyo — Haneda → Honolulu** (B)

After checking out of our hotel, we will visit **Toyosu Senkyaku Banrai**, new facility that aims to carry on and further develop the unique excitement of Tsukiji. In collaboration with Toyosu Market, this destination will offer invigorating, exciting times unique to Toyosu. We will enjoy some shopping and our own lunch here. **Odaiba**, a large artificial island in Tokyo Bay across the Rainbow Bridge from central Tokyo. It was initially built for defensive purposes in the 1850s, dramatically expanded during the late 20th century as a seaport district, and has developed since the 1990s into a major commercial, residential and leisure area. Today's Odaiba is a popular shopping and sightseeing destination for Tokyoites and tourists alike. Major attractions include: **Ferris Wheel**, **Venus Fort**, and **Aqua City Shopping Center**. And also, we will visit the 19-meter tall **Gundam RX 0 Statue**, one of the most significant comic attractions in Japanese cartoon (manga) industry, located in **Odaiba**. After a long day, we will transfer to Haneda International Airport for our return flight to Honolulu, taking with us the lasting memories of this wonderful Autumn Osaka and Tokyo tour.

We wish you a safe journey and many wonderful memories to share with family and friends! ☺
